****Sample Introduction for Kinota Braithwaite's Virtual Visit**

Hello everyone! Before we begin, let's make sure everyone's microphones are muted. Please give a thumbs up if you can hear me and see the screen.

I'm very excited to introduce you to a special guest today! His name is Kinota Braithwaite, and he's a Canadian author who lives all the way in Tokyo, Japan.

Kinota writes wonderful books and works very hard to make sure everyone feels included and accepted, no matter who they are.

One of his books, "Mio the Beautiful," was even nominated for a Sakura Medal, which is a very special award given to great books in Japan! Kinota's big dream is to make the world a kinder place where no one gets bullied and everyone is treated with respect.

Today, he's here to share some stories and talk with us about how we can all be kinder and more understanding.

Let's give a big, warm welcome to Kinota Braithwaite!
